Celebrate Dash's Birthday!

Get the Present

Attach the Gripper Kit and program Dash to grab a small "present" (cup, box, or block), then deliver it to the party table.

Birthday Dance

Program Dash to spin, move, flash lights, and play music in a fun birthday dance routine.

Birthday Card

Attach the Sketch Kit and program Dash to draw a big balloon, heart, or circle on paper for the birthday card.
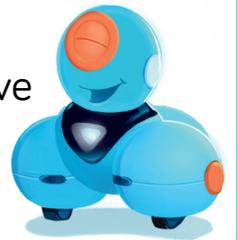

Don't have a Sketch Kit? Build your own invention where Dash can hold a marker!

Sing Happy Birthday

Program Dash to play the notes of "Happy Birthday" using the sound blocks, or record your own voice singing the song and have Dash perform it.

Cake Delivery

Build a small LEGO cake on Dash's Building Brick Connectors and program Dash to carry it safely across the room.

Confetti Launch

Attach the Launcher and program Dash to fire "confetti" (pom poms) into a basket.
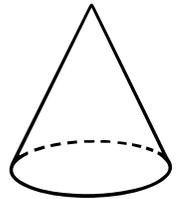

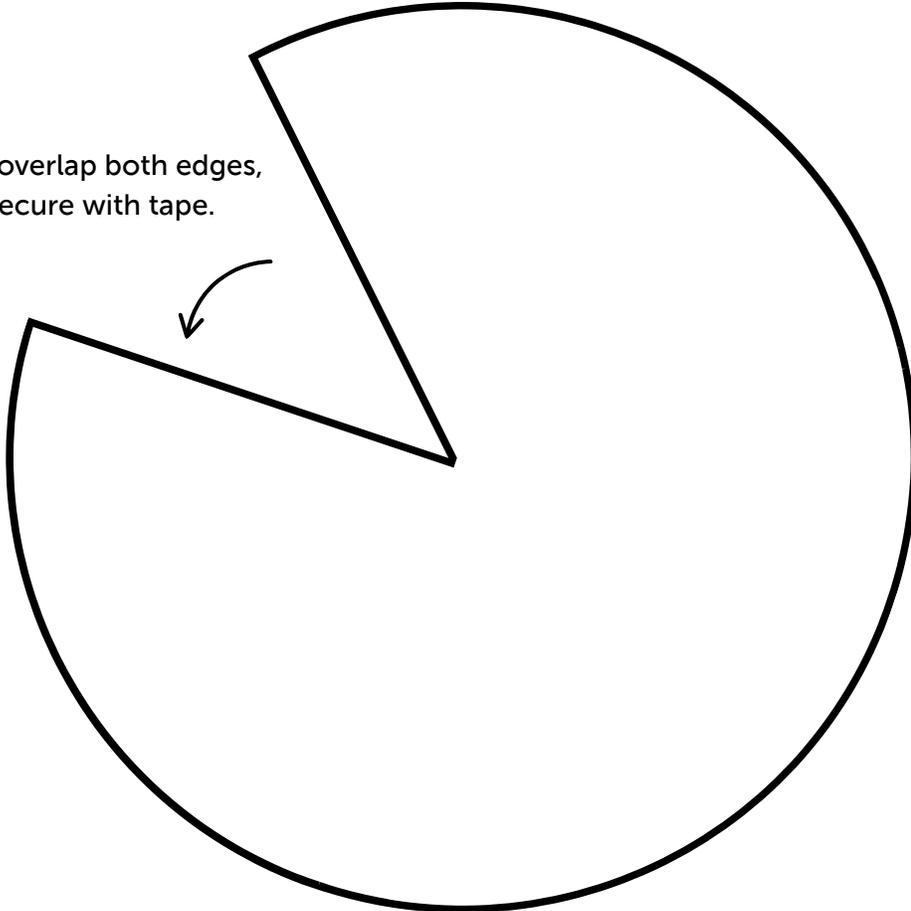

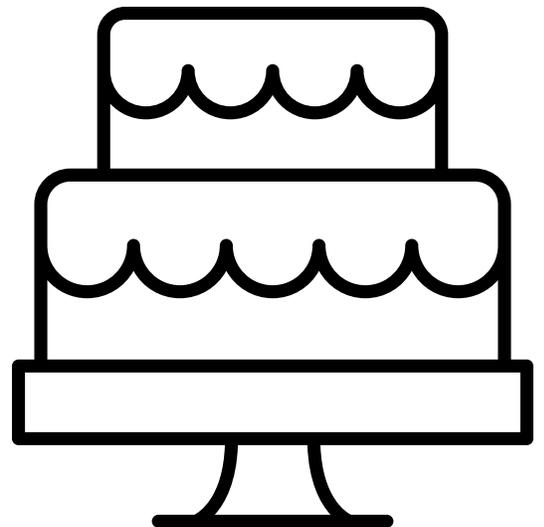

Make Dash a Birthday Hat!

Color and cut out the template below to make a birthday hat
for Dash and decorations for the birthday party!

Cut out, overlap both edges,
and secure with tape.

Attach the balloons to straws
to make them stand up!
